ITINERARY

Departures 24th July - 18th September

Benvenuto “welcome” to Baci Tours – the only tour that will guarantee your complete sensual invigoration and indeed rejuvenation! At the end of this unique experience you will be ready to return to your normal lives with renewed vitality and great memories.

The “exceptional” holiday experience, the one with the “X” factor is both elusive and hard to manufacture. Often we have to settle for a predictable outcome and find ourselves choosing between the ‘health retreat’ option, the ‘beach holiday’ or the ‘party experience’.

On their own, these holidays are fabulous, but rarely do we experience in one package, the elements critical to a memorable holiday. Let’s be clear about what we are really looking for – pampering and being able to look fabulous, the ability to shop if we like, the opportunity to have a rich cultural experience, the chance to eat well but moderately and of course, maybe even the opportunity to meet someone along the way!

Baci (Italian for ‘love’) tours bring you the best in Mediterranean cuisine and all its health benefits, constant European sun, breathtaking panoramas, quintessentially Italian shopping experiences, and even some exercise thrown in, to maintain your stamina. Oh, and let’s not forget the pampering we’ll all need afterwards, all the best clubs and bars and finally, conversation with very appealing male company!

For this inaugural tour we have chosen Rimini, one of Italy’s largest cities. Rimini, which lies on the Adriatic Riviera, is often referred to as the capital of hospitality and provided a wonderful and vibrant backdrop to many of the infamous Federico Fellini films.

To get us into the swing of the Italian lifestyle, we start our tour in bella Roma. We visit fashion outlets and eat at the fabulous ristorante l’angoletto tucked away in piazza rondanini. Lots of lovely surprises await you on this Baci Tour– meetings with the handsome locals, excursions to san marino (a tax free republic), shopping at valleverde for quality shoes and bags and pampering at the riminiterme/thermal spa, to name a few.

We invite you to join us for a fabulous and indimenticable gita. (unforgettable trip)!

Day 1 rome

On arrival in rome, you are transferred to your hotel, where you have a free afternoon to do as you wish. Use this time to unwind and relax. In the evening we then navigate Rome’s enchanting cobbled lane ways to dine, Italian-style, in a restaurant known only to the locals.

Day 2 rome

After enjoying your hotel buffet breakfast, we take a passeggiata or stroll through the fashion quarter, which includes the famous shopping boulevards of via veneto and via corso. Then, perhaps a visit to the spanish steps or fontana de trevi. In the afternoon, off to the hairdressing salon for a pampering experience and to prepare us for the evening.

Day 3 rome-rimini

After breakfast, off to Rimini, which is situated in the region of emilio romagna. Here, the beautiful seafront continues unbroken for almost 15km (9 miles) and is lined with clubs, restaurants and bars. Our hotel is also situated on this beach. Tonight we join the company of locals for dinner, followed by dancing at one of the many fabulous clubs.

Day 4 rimini

A day of leisure where you will enjoy browsing the many boutique shops or basking in the sun. At around four, we go to the thermal spas to re-energize our body and soul. Then, an aperitif at sunset followed by dinner in the hotel.

Day 5 rimini

This morning we join a local chef in his home to enjoy a regional cuisine demonstration; the highlight being to sit and feast on the morning’s preparations. Later, the night life of rimini awaits!

Day 6 rimini

after a restorative breakfast, we embark on a cultural adventure of ravenna. The local guide assists us to navigate the medley of old streets, fine shops and peaceful piazzas. Lunch is eaten at a local trattoria renowned for its regional cuisine. Your night is free and dinner will be served at the hotel.

Day 7 rimini

A free day where you can choose to shop locally or to explore the charm of rimini. Dinner is at the hotel.

Day 8 rimini-bologna-rimini

We rise early to explore the rich cultural heritage which is bologna, known for its handsome buildings and charming porticoed streets. At lunch you choose a traditional spaghetti al ragu (traditional dish from bologna) or a refreshing panzanella salad. We take the opportunity to shop at the factory outlet for one of italy’s finest shoe designer - bruno magli.

Day 9 rimini

Spend the day relaxing and enjoying the things that nurture and restore us - whether it be catching up with the local Italians, basking in the sun or shopping. Enjoy. After dinner in the hotel, we once again explore the colourful rimini nightlife.

Day 10 ciao rimini. Thanks for the unforgettable experience!
