WINE TASTING

The journey to discover **Portofino's wine** starts within an ecological wine cellar. War shelters and tunnels dug in the 60s allows for the creation of the wine cellar. Inside there's small gentle waterfall providing a relaxing sound, together with the play of light and shadow that spread all around, creating a tranquil atmosphere that enhances the senses during the tasting.

Then we organize a cooking class with lunch (pizza focaccia and dessert or pasta with pesto and dessert).

After lunch clients will visit some vineyards by an italian "apino" (it can carry up to 3 people so if clients are more, the "apino" will do more time the trip) and then they will go to do another wine tasting on the beautiful Lighthouse!

Also on request we can organize a dinner in Portofino with an extra cost.

Minimum 2 people
(5-6 hours)

Price start from € 490 per person
